

ST10069127 PROG6221 POE P2 description

Based on my lectures feedback there will be evidence in my part 2.

Based on my lectures feedback there will be error handling in my part 2.

Based on my lectures feedback the display will be formatted better as rows + columns in my part 2.

Based on my lectures feedback I could have classes as separate files and add another to handle validations in my part 2.

Based on my lectures feedback I could fix my minor mistakes in my part 2.

Based on my lecturers' feedback I need to add a readme with information in my part 2.
